Hello everyone.

### UPDATE: OPMP Conference Room Suite 1430

Thank you for responding and making time to discuss compensatory mitigation ideas for AMDIAP. I've included a draft agenda and map showing the target area for compensatory mitigation options. We would like to focus on HUCs 190503 (Kobuk-Selawik Rivers) and 190406 (Koyukuk River), but are looking for any ideas you may have.

I'll update the meeting information once a conference room is identified at the Atwood Building. For those calling, please use the number below and conference id #.

We look forward to meeting with you on November 1<sup>st</sup>.
